Case 28-CB-207136

Dear Mr. Kelman,

This will acknowledge receipt of your letter dated September 22, 2019 to Chairman John Ring and Board Members McFerran, Kaplan, and Emanuel. Your letter refers to, and includes, documentation which you believe is "pertinent to all legal considerations regarding" your "quest to seek Fairness, Equality and Justice under the Law...".

Pursuant to the briefing schedule in this matter, exceptions to the administrative law judge's decision were due on September 6, 2019. The General Counsel filed timely exceptions on that date, and on September 20, 2019, the Union filed timely cross-exceptions and an answering brief to the General Counsel's cross-exceptions. Thereafter, the General Counsel filed a timely reply brief to the Respondent's answering brief, and an answering brief to the Respondent's cross-exceptions. Under the briefing schedule, the only remaining document that may be filed is the Respondent's reply to the General Counsel's answering brief to the Respondent's cross-exceptions. At this time, your letter, with its attachments, is an untimely filed document and will not be forwarded to the Board for consideration.

Very truly yours,

/s/ Farah Z. Qureshi  
Associate Executive Secretary
